Warranty to June 29 or 5000hrs
PLEASE NOTE These are stock images of the tractor.

2022 JCB FASTRAC

JCB FASTRAC 4220 TRACTOR C/W 60kph, vario transmission, ABS air brakes, 6 cylinder 220HP SISU engine, all wheel steer heavy duty rear axle, road performance package including traction control & hill hold, front linkage, 4 electric spool valves, air seat, rear pickup hitch, AdBlue, F: 600/70 R30 BKT R: 600/70 R30. Datatag. BALANCE OF 8 YEAR 8000HR WARRANTY.

KVERNELAND EXACTA TL GEO 1875 FERTILISER SPREADER

C/W 4x 5 tonne weigh cells, central reference sensor, LED road lights, mudguards, stone guards, Isobus, folding hopper cover, hopper grid, 12-45m spread, PTO overload clutch, grading box, hopper windows, 2x hopper extensions

TONG SWIFT LIFT EXTENDO 900

C/W - 900mm wide belt, 3-phase electrics, variable speed drive, auto slewing platform, hopper, drawbar, 20m mains cable, power transmission dual drive & luffing head.

KVERNELAND EXACTA TL GEO 1875 FERTILISER SPREADER

C/W 1875 litre hopper, tellus pro control screen with section, 1x 675 litre hopper extension, mudguards, stone guards, GeoControl licence, weigh cell, 540 PTO, border spreading kit, LED lights and hopper cover

KVERNELAND TS DRILL

C/W - 6m working width, 40 direct coulters, ECOM (Isobus), 1700 litre hopper, hopper cover, rear harrow, hydraulic fan drive, auto reset leg tine, road lights & tramline valves.
No control screen

DEMO KVERNELAND DTX 300 CULTIVATOR

C/W - 180 x 180x10mm main frame, 5 prolift tines (shearbolt), 2 rows of cultivation discs, DD rear packer, hydraulic depth control & road lights.

KVERNELAND ROTAGO 4060F

C/W - 6m working width, hydraulic folding, hydraulic depth control, hydraulic levelling board, quick fit tines, 575mm tooth packer roller with carbide scrapers & road light.

KVERNELAND LO TTS PLOUGH
Model 3400B (new model)

C/W - 6 furrow, no 40 slats, quick fit points, frame strengthening kit, TTS, disc coulter, 420/55-17 depth & transport tyre.

Grange Machinery's range can help lower the cost of crop establishment, improve soil structure as well as efficiency in the field.

GRANGE MACHINERY

We have equipment available for demo on-farm, and for sale.

GRANGE MACHINERY 6M LOW DISTURBANCE TOOLBAR (LDT)

C/W - CAT 3 & 4 linkage, 12 x low disturbance legs, 12 x tungsten points and hard faced legs, hyd front cutting discs, automatic wing folding rams, 4 x double acting hyd supply, 1x heavy duty clevis & ISOBUS connection.

GRANGE MACHINERY 4M CCT

C/W - CAT 3 & 4 linkage, 8 x low disturbance loosening legs at 0.5m leg spacing with a range of 300mm working depth. 8 x tungsten points & 8 x hard faced lower legs

EX DEMO GRANGE 4M CCT

C/w front cutting discs, 8 Low disturbance legs, rear a frame with clevis attachment, 4 x double acting hyd supply, 7 pin light socket. Can be used as a 3 or 4m machine.

EX DEMO GRANGE MACHINERY 3M STRIP TILL

C/W - 3m working width, 50cm spacing, 6 row, shearbolt protection & inline cultivation discs.

AGRICULTURE & GRASSLAND

NEW KVERNELAND LB 85-300 PLOUGH

C/W - 5 furrow (drilled for 6), 300hp headstock, No 40 slatted bodies, quick fit points, maize skimmers, rear disc coulter, hydraulic front furrow, 320 rear depth & transport wheel.

NEW KVERNELAND LD 85-200 PLOUGH

C/W - 200hp headstock, 5 furrows (4+1) 28 bodies, doubles stayes, 320 depth and transport wheel, hydraulic front furrow, manual vari width, quick fit points, rear disc coulter & skimmers.

KVERNELAND LO 85 300 PLOUGH

C/W - 7 furrow, 28 bodies, Skimmers, vari width, on land in furrow single depth wheel.

1998 TRIFFITT 12 TON TRAILER

C/W 12 ton, 385/65R22.5 tyres, rollover sheet, hydraulic breaks, hydraulic rear door and grain chute.

2010 RO-XL EDW150 ROTAFLOW SPREADER

c/w 1500 litre hopper, Isobus, weigh cell, 3 x 650 ltr hopper extensions (3450ltr total capacity), hopper windows, hopper cover. Left / right electric shut off.

NEW KVERNELAND DTX 300 CULTIVATOR

C/W - 180 x 180x10mm main frame, 5 prolift tines (shearbolt), 2 rows of cultivation discs, DD rear packer, hydraulic depth control & road lights.

2023 STEWART GX18 FT FLAT TRAILER

STEWART GX18 FT FLAT TRAILER 36' long C/W sprung drawbar, 2 x 10 stud axles, LED lights, 4mm chequer plate floor, hyd lift and lower headboard, air brakes & ABS with LSV, 560/60 R22.5 BKT tyres.

2025 KVERNELAND FRD 280 FLAIL MOWER

C/W - 2.8m working width, belt drive, hydraulic offet (54cm),front metal flaps, double skinned, large diameter rear roller, auto belt tensioner & side skids.

2024 EX HIRE SPEARHEAD MULTICUT 480 PROLINE

C/W - 4.6m working width (4.8m overall width), clevis hitch, wide angle PTO, levelling tie bars, hydraulic wing lift and support, full length side skids, front & rear chain curtains, 3 rotors with 6 blades per rotor, slip clutch & protected gearboxes.

GRASSLAND & GROUNDCARE

2024 CLEMENS INTER-ROW WEEDER

C/W - Single sided inter row weeder. Clemens toolbar with Radius SL Plus.

2025 D.W. TOMLIN ROTOVATOR UL 1.05M

C/W - 1.05 m working width, light duty rotary cultivator

2025 KVERNELAND FHP 230+ OFFSET FLAIL MOWER

C/W 2.3m working width, hammer blades, wide angle +90 degrees and -65 degrees, free wheel gearbox, five section v belt with auto tension, oil accumulator, self cleaning rear roller

2022 KUBOTA TEG1400 FLAIL MOWER

C/W Hammer Flails.
Please note it's a stock image

2016 KUBOTA STW34 COMPACT TRACTOR

C/W ROPS, HST, turf tyres, 2,798 hours, AE65 AUO

2025 KUBOTA EK1-261 COMPACT TRACTOR

C/W – 25HP, ROPS, turf tyres & manual gearbox.

2016 KUBOTA ZD326S ZERO TURN MOWER

C/W ZD326S zero turn mower, AE16 BSZ, serial number 50411, approximately 2,155 hours

2020 KUBOTA GR2120S RIDE ON MOWER

C/W 21HP, 40" deck, hydrostatic transmission, mulch kit.
Deck RCK48SGREU-2 serial number 22519
YOM 2020

WHAT IS HARDOX®?

Hardox® is a wear plate; structures made of Hardox® weigh less and last longer than those made from mild steel. A tipper body made from Hardox® is more durable due to the unique combination of hardness and toughness. Using Hardox® allows for a body design with a minimum number of reinforcing beams on the outside.

BIGGER STRONGER TOUGHER

HARDOX® IN MY BODY

FLAT TRAILERS

FLAT TRAILERS CAN BE SUPPLIED WITH 4MM STEEL OR 28MM KERUING FLOORS FOR THE SAME PRICE.
The standard Flat Trailer is used with our Livestock Floats, for carrying a float we recommend a Keruing floor and 435/50Rx19.5 tyres. Please get in touch for more information.

BALE TRAILERS

BALE TRAILERS FROM 26FT TO 36FT CAN BE BUILT BASED ON OUR STANDARD FLAT TRAILER RANGE.
We have two models available, there is a trailer for two rows of bales and the other version carries three rows high. The trailers can be used for round or square bales, the important point is that the retaining arm must be at least half way up the bale to keep it securely on the trailer.

LIVESTOCK TRAILERS

LIVESTOCK CONTAINERS ARE FABRICATED ALMOST ENTIRELY IN ALUMINIUM GIVING A STRONG BUT LIGHTWEIGHT, DURABLE CONSTRUCTION.
The livestock container is fully welded; the pressed side sheets are welded to box section posts at 1150mm intervals, and the floor is welded all round. The fully welded design prevents effluent from leaking through onto the trailer.

LOW LOADERS

LOW LOADER TRAILERS ARE FITTED WITH A 45MM KERUING FLOOR. HYDRAULICALLY OPERATED RAMPS ARE STANDARD ON 15 TONNE AND 22 TONNE MODELS.
Every trailer is custom built, there are a wide variety of optional extra items available to choose from. We can supply open tread ramps, timber clad ramps or steel ramps, the steel ramps can be galvanised or paint finished.

DUMPER TRAILERS

WE PRODUCE THREE TYPES OF CONSTRUCTION TRAILERS WHICH ARE AS FOLLOWS:
Construction Dumper trailers with a scow tail, Construction Monocoque trailers which have a flat floor and the Construction PRO trailers with a Hardox® body. Please get in touch for more information.

PRO SERIES

OUR PRO SERIES TIPPING TRAILERS ARE BUILT WITH HARDOX® BODIES.
A tipper body made from Hardox is more durable due to the unique combination of hardness and toughness. Using Hardox allows for a body design with a minimum number of reinforcing beams on the outside therefore saving weight without losing strength.

LEGEND RANGE

The LEGEND Range are our standard tipping trailers built with a mild steel body. The trailers are built with a box section chassis and the body has a box section body frame and top rail for strength and durability.

ROAD KING

THE ROAD KING IS BUILT ON THREE AXLES WITH AIR SUSPENSION, AND AN OPTIONAL REAR STEER AXLE FOR ADDED MANOEUVRABILITY. THREE AXLES ON THE TRAILER KEEP THE MAX AXLE WEIGHT TO 8 TONNES.
It is fitted with an air braking system with load sensing and ABS and no hydraulic braking. The standard model also features a roll cover, front view grille and radial flotation tyres.

STEWART TRAILERS AVAILABLE FOR HIRE

01205 480460 Irelands Hire GROUP

2022 STEWART GX18 23 S

C/W - Sprung drawbar, commercial axles with 560/60 R22.5 wheels, air and oil brakes with ABS, hydraulic rear door with grain chute, rollover easy sheet, silage kit and Transcover front to back hydraulic cover. Also available in GX 16 21 L Version.

2022 STEWART GX 18 23 S

C/W - Sprung drawbar, commercial axles with 560/60 R22.5 wheels, air and oil brakes with ABS, hydraulic rear door with grain chute, rollover easy sheet and silage kit.
Also available in GX 16 21 L Version.

2023 STEWART GX 16 20 R
(16t Root Spec. 3'9" Sides)

FOUR TIMES THE POWER:
KUBOTA R090 LOADERS DELIVERED READY TO WORK

In December, Huw delivered four Kubota R090 wheel loaders. Each machine was fitted with a **Groeneveld-BEKA automatic greasing system**, ensuring all lubrication points are greased automatically. The only operator input required is topping up the central pump when needed — reducing daily maintenance and extending component life. All four loaders were also supplied with **Albutt Heavy Duty Buckets**, providing the strength and durability required for demanding day-to-day work.

The **Kubota R090** itself is a standout in its class — offering a powerful yet fuel-efficient Kubota engine, smooth and responsive hydraulics, and excellent all-around visibility.

TURN UNUSED KIT INTO CASH

THANK YOU FOR VISITING US AT LAMMA 2026

Ireland's Farm Machinery would like to extend our sincere thanks to all our customers and visitors who took the time to visit our stand at the LAMMA 2026 Show at the NEC Birmingham.

It was a pleasure to meet you, discuss your requirements, and showcase our Energreen range. Your interest and continued support are greatly appreciated.

Liked what you saw at LAMMA 2026? Explore our full product range, visit our website or call in to see us in store, where our knowledgeable team will be happy to help. We look forward to welcoming you and supporting your operations now and in the future
